Explain how this Rule was used: \_\_\_\_\_

**This is a carefully crafted Print.  
You MUST use a filter,  
burn and/or dodge when it needs it.  
Proper chemical rinsing  
and cleanliness is expected.  
Either an even white border,  
or a perfectly borderless print without cutting,  
is expected.**

**Tape is to be one roll behind print,  
If tape shows, points must be deducted.**

**Attach unburned, undodged print on back.**
